

Latitude Barstool

Steel Frame / 1 Year Warranty / Matching Chair And Chairhead Available

The Latitude barstool is an updated take on the traditional ladder-back design. Powder coated steel frame and solid beech seat give it a clean architectural look. A padded seat option offers more comfort.

Product Highlights:

- 18 gauge steel frame
- Powder coat frame finish
- Choice of upholstered or 3/4" beech seat
- Manufactured and tested for commercial use
- Made to order
- Fully assembled
