

Paris Chair

Steel Frame / 1 Year Warranty / Matching Barstool Available / Indoor Use Only

The Paris chair is constructed with a powder-coated steel frame and available in red or galvanized finishes. Perfect for indoor use only, this chair has been tested to last long and tough with commercial use. We love its classic French styling, back is rounded and contoured for comfort.

Product Highlights:

- Steel frame
- Red or Galvanized paint option
- Stackable to 4 high
- Manufactured and tested for commercial use
