

# X Series Base/End

3" Column / 5 Year Warranty

Stamped X-Series end bases are the answer when using larger table tops. They are stronger than cast iron bases which are brittle and susceptible to fracturing.

#### Product Highlights:

- Onyx Black powdercoat has a subtle texture
- Stamped steel spider welded to the column for added strength
- Stamped steel has reduced environmental impact compared to cast iron
- Column made in US using US made steel
- Quick 3 step assembly
- Glides included
