

X Series Base/Pedestal

3" Column On 22" - 30" / 4" Column On 36" / 5 Year Warranty

X Series standard table bases are durable and easy to assemble. Made of stamped steel they are more durable than cast iron bases. With this sturdy base, you can be sure that broken base feet are a thing of the past.

Product Highlights:

- Onyx Black powdercoat has a subtle texture
- Stamped steel spider welded to the column for added strength
- Stamped steel has reduced environmental impact compared to cast iron
- Column made in US using US made steel
- Quick 3 step assembly
- Glides included
- For maximum stability base feet should point toward table top corners
