(1) Button Seat

ATTENTION INSTALLERS: PLEASE PRESENT INSTALLATION DOCUMENTS TO FACILITIES MANAGER.

DATE: 8-15-12

STEP 1: ATTACHING BUTTON SEAT TO POST

1. Align the studs on the bases of the swivel to the holes on the seat post.
2. Place 1/4"-20 nut over each stud and firmly tighten with 7/16" wrench.
3. Clean furniture and protect unit until ready for use.

CARE & MAINTENANCE

Periodic maintenance is necessary to ensure long term durability and customer satisfaction. Buyers must therefore advise end user of the following:

To prevent personal injury, furniture must be inspected regularly for loose screws, glides and casters, cracked or broken welds, cracked laminate, wood splinters and general instability . Furniture that is damaged or appears to be unstable must be immediately removed from service and replaced or repaired using only factory authorized parts and methods. Contact Plymold Customer Service for assistance and further instructions.

PAINTED METAL CARE: Wipe with a damp cloth. For stubborn stains and grease, use a mild soap and water.

WARRANTY AGREEMENT:

Plymold/Foldcraft Co. warrants all products manufactured and/or marketed by Plymold/Foldcraft Co. to be free from defects in material and workmanship under normal usage and service for one (1) year from date of purchase shown on our commercial invoice. Warranty on upholstery materials is governed solely by the guarantee or warranty of the producing mill. Warranty on wood table tops may be affected by moisture conditions and usage. Solid wood table tops must be stored and used in environments with relative humidity in the range of 35% to 50%. Customer assumes responsibility for normal wear and tear. This agreement excludes all products or component parts, that in the opinion of Plymold/Foldcraft Co., have been subject to neglect, misuse, alteration, accidental or improper installation. Some products may have extended warranties.
