

For more than 75 years, Plymold has proudly crafted durable, USA-made commercial furniture. From classic designs to modern solutions, their convenience store collections are built to meet the needs of every space.

KEY PRODUCTS IN CONVENIENCE STORE DESIGN

- Horizon Booths:** Offer a fixed seating option that is durable, comfortable and easy to clean.
- Dur-A-Edge Tables:** Impact resistant & long lasting.
- Free Standing Tables & Chairs:** Gives flexibility for different size groups, easy to clean around.

CONVENIENCE STORES
DESIGN GUIDE

Creating a space in convenience store that blends functionality, and comfort is essential in creating a relaxing and positive environment. Fixed seating and free-standing tables and chairs offer flexibility in seating options.

KEY FEATURES

Durability: Plymold's break room tables are constructed with high-quality materials, including high-pressure, commercial-grade laminate, ensuring longevity and resistance to daily wear.

Design Variety: Plymold's food service furniture can complement various interior designs, allowing businesses to create an inviting atmosphere for customers.

Made-in-America Commitment: Plymold takes pride in manufacturing their commercial furniture in the USA, ensuring high standards of quality and supporting local economies.

Dur-A-Edge Technology: The Dur-A-Edge table edges are designed to protect tabletops from damage, extending their lifespan and maintaining their appearance over time. Dur-A-Edge comes in a variety of table-edge profiles to suit customer needs.

PRODUCTS TO CONSIDER ADDING TO YOUR SPACE

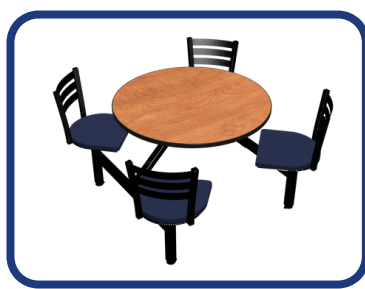

Waste Receptacle: Important to keep areas clean.

Cluster Units: Fixed seating option, easy to clean & chairs won't get moved.
