KEY FEATURES

Durability: Plymold's break room tables are constructed with high-quality materials, including high-pressure, commercial-grade laminate, ensuring longevity and resistance to daily wear.

Design Variety: Plymold's break room furniture can complement various interior designs, allowing businesses to create an inviting atmosphere for employees.

Made-in-America Commitment: Plymold takes pride in manufacturing their commercial furniture in the USA, ensuring high standards of quality and supporting local economies.

Dur-A-Edge Technology: The Dur-A-Edge table edges are designed to protect tabletops from damage, extending their lifespan and maintaining their appearance over time. Dur-A-Edge comes in a variety of table-edge profiles to suit customer needs.

PRODUCTS TO CONSIDER ADDING TO YOUR SPACE

Cluster Seating: Fixed seating option so chairs and tables don't get moved.

Free Standing Tables & Chairs: Option for groups to move tables & chairs around if needed in certain spaces.

Communal Dining Counter: Powered, so able to use technology if needed. Creates additional seating without taking up too much floor space.
