

## SMALL SIZED BREAKROOM

### DESIGN GUIDE

Offering functional and inviting break room furniture in a small space requires intentional planning and smart furniture choices. A well-thought-out break room not only offers employees a place to recharge but also enhances morale and productivity.

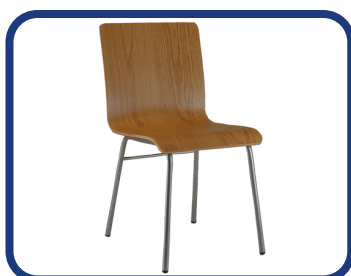

For more than 75 years, Plymold has proudly crafted durable, American-made commercial furniture. From classic designs to modern solutions, their breakroom collections are built to meet the needs of every workspace.

### KEY PRODUCTS FOR BREAKROOM DESIGN

**Powered Dining Counter:** Powered, so able to use technology if needed. Creates additional seating without taking up too much floor space.

**Booth Seating:** Use booth-style setups to maximize seating capacity and create a clean, organized look.

**Condiment Counter & Lunchbox Cubbies:** Help keep the breakroom clean and organized.
